

## **JESUS Christ: The Second Adam**

### **Romans 5:12-21**

Therefore, just as sin came into the world through one man, and death through sin, and so death spread to all men because all sinned—<sup>13</sup> for sin indeed was in the world before the law was given, but sin is not counted where there is no law. <sup>14</sup> Yet death reigned from Adam to Moses, even over those whose sinning was not like the transgression of Adam, who was a type of the one who was to come. <sup>15</sup> But the free gift is not like the trespass. For if many died through one man's trespass, much more have the grace of God and the free gift by the grace of that one man Jesus Christ abounded for many. <sup>16</sup> And the free gift is not like the result of that one man's sin. For the judgment following one trespass brought condemnation, but the free gift following many trespasses brought justification. <sup>17</sup> For if, because of one man's trespass, death reigned through that one man, much more will those who receive the abundance of grace and the free gift of righteousness reign in life through the one man Jesus Christ. <sup>18</sup> Therefore, as one trespass led to condemnation for all men, so one act of righteousness leads to justification and life for all men. <sup>19</sup> For as by the one man's disobedience the many were made sinners, so by the one man's obedience the many will be made righteous. <sup>20</sup> Now the law came in to increase the trespass, but where sin increased, grace abounded all the more, <sup>21</sup> so that, as sin reigned in death, grace also might reign through righteousness leading to eternal life through Jesus Christ our Lord.

### Installation of Elders & Deacons

#### Ordination and Installation

24-5. The day having arrived, and the Session being convened in the presence of the congregation, a sermon shall be preached after which the presiding minister shall state in a concise manner the warrant and nature of the office of ruling elder, or deacon, together with the character proper to be sustained and the duties to be fulfilled. Having done this, he shall propose to the candidate, in the presence of the church, the following questions, namely:

1. Do you believe the Scriptures of the Old and New Testaments, as originally given, to be the inerrant Word of God, the only infallible rule of faith and practice?
2. Do you sincerely receive and adopt the Confession of Faith and the Catechisms of this Church, as containing the system of doctrine taught in the Holy Scriptures; and do you further promise that if at any time you find yourself out of accord with any of the fundamentals of this system of doctrine, you will, on your initiative, make known to your Session the change which has taken place in your views since the assumption of this ordination vow?
3. Do you approve of the form of government and discipline of the PCA, in conformity with the general principles of biblical polity?
4. Do you accept the office of ruling elder (or deacon, as the case may be) in this church, and promise faithfully to perform all the duties thereof, and to endeavor by the grace of God to adorn the profession of the Gospel in your life, and to set a worthy example before the church of which God has made you an officer?
5. Do you promise subjection to your brethren in the Lord?
6. Do you promise to strive for the purity, peace, unity and edification of the church?
